

## Guided tours available for booking

The Museum Schloss Moyland offers guided tours on various topics for every target group. They are usually 90 minutes long. The maximum group size per tour is 20. Guided tours are also available in Dutch, English and, in some cases, other languages.

### Special exhibitions

We offer tours of our special exhibitions on 19th to 21st century art.

### The van der Grinten collection

This tour combines a walk through the art collection housed inside the castle with aspects of the castle's history.

### Castle and gardens: An outdoor history experience

The walking tour through the expansive garden complex is dedicated to the over 700 years of castle history as well as the development of the garden up to the present day.

### The sculpture park

Sculptures by famous artists such as Antoni Tàpies, Gerhard Marcks, Erwin Heerich or Eduardo Chillida make this stroll through the garden of the Museum Schloss Moyland an outdoor art experience.

### Garden art

Our tours through the historic garden can be booked from May to October. Possible areas of focus are the herb garden or historic tree population.

### Medicinal herbs

Our nature tour with a natural health professional can be booked from June to September. The tour offers insights into the nature of the medicinal herbs in the Moyland herb garden and their effects on body, mind and soul.

### Trees

Our nature tour with a natural health professional can be booked from March to October. The tour covers the historic tree population in the castle grounds and provides information on the cultural history of particular kinds of trees.

### Evening tours

The illuminated castle can also be viewed outside of regular opening hours, by appointment and for an additional fee.

**Information**

**When does the group need to arrive at the museum?**

We ask you to arrive at the museum's ticket booth 15 minutes before the start of the tour. You can pay for the tour or admission there.

**What should we do if the group is running late?**

In the case of delays, please call us at +49 (0)2824 9510-60 as soon as you can. It is up to the guide whether they are prepared to make up the time. This needs to be discussed in person upon arrival. The schedule of our guide personnel is planned in a way that does not allow us to wait if you are delayed by more than 15 minutes – without advance notice from you. If a group does not show up or arrives so late that a tour is no longer possible, the entire cost of the tour will still be charged. Failure to appear for pre-booked arrangements will result in a charge of 50% of the total price.

**What do I need to pay attention to in the case of cancellation?**

You can cancel your tour free of charge up to 7 days in advance. After that, you will be charged 50 % of the costs.

For weekend tours, please try to inform us of a cancellation by Friday.
