

Bookable-Workshops for Adults

Until further notice, the size of the group shall be determined by the current corona protection measures.

The Museum Schloss Moyland offers bookable workshops for adults on various themes. Below you will find a selection of themes; other themes are available by arrangement.

Please note that workshops are only offered in German.

Creative Writing

The works of art in the current exhibitions, the architecture of the castle building, or experiences of nature in the park of Schloss Moyland inspire imaginative, crazy, exciting, and tender texts. They bring your words to art and let your ideas speak. Everyone can start writing immediately. Let your own creativity surprise you and look forward to extraordinary museum experiences with pen and paper. All you need is curiosity and a passion for language. No previous knowledge is required.

Duration: min. 2 hours (120 minutes)

Fees: min. 170 €, incl. material and plus general admission

Create a Personal Bullet Journal

In this workshop, you will create your own Bullet Journal. Learn different graphic design techniques, design the cover, and personalise the inside pages. In the end, everything will come together to form a unique, personalised journal. No previous knowledge is required.

Duration: min. 4 hours (240 minutes)

Fees: min. 330 €, incl. material and general admission

Drawing Workshop and Guided Tour: Hydrangea Splendour – The Secret of the Hydrangea

In a guided tour, you will first learn more about the splendour of hydrangeas in the park of Schloss Moyland with over 500 different varieties of hydrangeas.

Like early nature illustrators, you will then capture the magnificent hydrangea blossoms on paper under trees in the beautiful ambience of the park.

Whether classic pencil drawings or expressive illustrations – every participant can immortalise flowers, stems, and surroundings in drawings under professional guidance.

Duration: min. 3 hours (180 minutes)

Fees: min. 265 €, incl. material and general admission

Note: bookable from June to October
